Dear Friend:

It's a pleasure to send you our new Egyptian Nursery catalog. In it we describe a great many of the fine fruit trees, small fruits, ornamental trees, shrubs, and evergreens we grow. I know that when you see the well-grown, thrifty stock we produce here you will be as enthusiastic as I am about Egyptian Nursery's outstanding quality.

Three generations of our family have been working since 1888 to build the knowledge and the skill, to acquire the land and equipment that make possible this superior Egyptian stock. As a result of this we have supplied not only thousands of individuals throughout this country and Canada but a great many of the large commercial growers as well.

Sincerely yours,
EGYPTIAN NURSERY AND LANDSCAPE CO.
